

Monroe County Official Map 10 Year Plan for Growth Control

The **YELLOW** area is the land anticipated to be developed residential in the next 10 years.

The **RED** area, located along Route 3, is slated for industrial and commercial use.

The **GREEN/BLUE** area is the flood plain. The **BROWN** indicates karst land, which is mostly unavailable for development because of sinkholes.

The **LIGHT GREEN** marks agricultural areas. The **DARK GREEN** represents conservation areas.
